From Wikipedia.

Pendragon, or King Arthur Pendragon, is a role-playing game (RPG) in which players take the role of knights performing chivalric deeds in the tradition of Arthurian legend. It was originally written by Greg Stafford and published by Chaosium, then was acquired by Green Knight Publishing, who in turn passed on the rights to White Wolf, Inc. in 2004. White Wolf sold the game to Stewart Wieck in 2009. Wieck formed Nocturnal Media, which has since updated and reissued the 5th edition originally published by White Wolf.

In 1991, Pendragon (3rd edition) won the Origins Award for Best Roleplaying Rules of 1990. In 1999 Pyramid magazine named Pendragon as one of The Millennium's Most Underrated Games. Editor Scott Haring said "Pendragon is one of the few RPGs that has a moral point of view ... And it's a great melding of game system with game world.". The 5th edition won the Outie award for Best Retread in 2006.
