

# A Scream Cast in Silver

---

## **'Premise'**

---

The year is 1929, against the backdrop of a global depression, a militarising europe and a golden age of street crime it's easy to feel like the world is ending. For one man it is already shattered. A once wealthy businessman has lost everything - his job, his status, his marriage, his wealth... and now his only child. He has no choice but to call in every favour left to gather together a band of investigators to find his daughter and bring her home. "Her name is Sarah, she's six years old, please... please bring her home, just please bring her home"
