Issac Hart

A severe looking man in his thirties, he has a shaved head and no facial hair. Was employed in the role of Bullough's groundskeeper on Rum. Investigators at the time noticed that he was largely incompetent at his job. He was spotted spying on the investigators from another boat in the marina while they investigated Bullough's yacht.

had a brief fight with Cumbersomething and Morgan then fled on his motorbike from Inverkip.

Investigators found chunks of human flesh wrapped in newspaper in his bed and breakfast.

Attacked the investigators on the train bound for Inverness, last seen leaping from the moving train out the luggage compartment door.
