

Shadowed Dreams

All things Scion: Shadowed Dreams can be found here on our wiki.

We're currently looking for a new player or two, so drop me a line if you're interested.

A long-running campaign, in which the PC's are fledgling demigods engaged in a globe-trotting adventure of mystery, intrigue and high stakes action. Very much in the vein of American Gods, with an added twist of occasional over-the-top heroic battles.

We currently play at my place, which is about 20 mins outside of Edinburgh, weekly on Sunday 7:30-11:30 approx. Both time and location are potentially flexible.
