

Task Force Adamantium

Task force Adamantium is a only war campaign set on the world of Telos which is currently in the grip of a civil war between those still loyal to the Imperium and those that have thrown their lot in with the dark gods of chaos.

The players will be part of the titular Task force Adamantium an Imperial Guard army created to liberate the planet and return it to the light of the Imperium, however, after ten years of war there may not be much of the planet left to save.

This page contains background details of the planet and the war that is being waged on and above its surface as well as various important individuals on both side.
