

Vampire Summer

The World of Darkness is a grim place filled with death and despair, where supernatural creatures are real, werewolves, vampires, mages, daemons, and other insidious monsters.

In this chronicle the players are Vampires, soulless undead creatures forced to hide their true nature from the human cattle upon whom they feed.

This chronicle began on the 22nd of May and will be played fortnightly, the next session will be on the 5th of June then will be taking a hiatus from the 22nd of June to the 27th of July, upon which the game will continue once venue and timing can be confirmed.
